

Dear Customer or Carer,

Thank you for getting your Melatonin prescription drops through Dimboola Guardian Pharmacy.

To help improve our service to you we would ask that if your Melatonin prescription has any repeats, that all the repeats are left in our filing system at the pharmacy and you please ring Dimboola Guardian Pharmacy direct to advise our staff that a repeat is required.

We can then post Melatonin direct to you or deliver it to Des Lardner Organic in Horsham every Thursday morning for collection and payment. (Made up Wednesday in Dimboola) You can of course also collect your medicines direct from the pharmacy, 6 days a week.

When new prescriptions are required please advise your Doctor's staff to fax or email the prescription with your contact phone number, direct to Dimboola Guardian Pharmacy (contact details above) and post the original script to the pharmacy.

A fridge magnet has been included with this letter, detailing the pharmacy contact details, for your convenience. If you have any concerns please contact Tammy Brown, store manager at Dimboola Guardian Pharmacy. After hours if you have any queries ring Des Lardner on 0428 826006.

Kind regards,

Des Lardner
Proprietor
